SUMMARY

I provide a specialist mediation service covering all areas of property disputes.

I bring a wealth of property related knowledge and experience, being the head of the property disputes team at TWM Solicitors LLP and ranked as a Leading Partner in property disputes for a number of years in the Legal 500 Guide, including the 2026 Edition.

Described by others as personable, approachable, and able to see the bigger picture, I help to create an environment that provides parties with the best opportunity to resolve their issues.

While much of my work focusses on London and the South East, I am happy to travel to any location to act as a mediator in person, as well as offering fully online and hybrid mediations.
